1. Come to Me and I will show you men who will live with you forever, catching My catch, being My catch. I love you. I love you. I love you. I love you Me, My lover, My bride to be, My bride already wed: one, one, one; One-ship arising now all over the world. I love you. I give you Me.
2. See, see, see Me in you and with you and giving you these words tonight. See, see, see Me and feel Me in your throat, your heart, head and brain, fingers and toes, pulse, emotion, bloodflow, fount of only Me. I love you.
3. Into Me see the men I have given you the world over; Eric Emokpae, Fred, Johannes Erasmus, Pierre Van Wyck, Keith, Mike Winfield, Stephen, and Me. Ronnie you support. Give Me Me and let Me be Me. Into Me see the schools I am starting with these men of Me. See, see, see Me—See Me.
4. See the schools I birth forth, in power and might and limits not, none, not one. I love you. See Me, see Me, see Me. Into Me see all I gave today and enlist My all to enlist, coming now to serve in My reserves not; My active 24/7 service, never ending, eternal, in the heavens not, future not; 24/7 in the Kingdom of Heaven now on the earth. I love you. I love you and give you Me I do; My ring on your finger, your ring on Mine. I love you. See Me, see Me, see Me.
5. Controvert not with those who wish to controvert. I love you.
6. My covenant be and replete be in Me as I spread My covenant far and wide, penetrating every barrier known to man and demon. I love you.
7. I give you beholdenment of only Me; subatomic macro micro structural cellular insights into My macro micro cosmos—in you—in Me—in all in all, "all in all" squared. My subatomicry comes clean and clear, crystallizing My substance in your eyes, in your very eyes. I love you. See Me. I do. See Me. See Me see Me I do.
8. "I take you to be My lawfully wedded husband," isn't that what she said? And yes and amen. I take you now, to be Mine, My one and only, for every one who will: My one and only. Into Me see what I have said. I keep giving you Me and insights into the mirrored structure of Me, My love, My body, My all, My all in triplicate not; My all, My one: One personified in all, all in all. I love you. I give you Me.
9. See Me and all I have said as you sit on your couch contemplating how I will accomplish My 3 days experientially. I will tell you. I will come and take you therein to be with Me united in Myself, as one not; one being, experiencing Me, never endingly, ending with Me, beginning with My Father, ending with Me, placing all back into His hands; it is finished, enter into My rest/your rest, Me, My provision, all provided. See Me.

All is upon you, in to you, upon your shoulders/My shoulders. We walk as one—being one.

10. Come into Me all ye who are heavy laden and I, I, I will give you rest. Enter into My rest. Cease from your works, your works mighty which will be burned up, already is. I love you. Still—see Me. Cease from you labors, your cares. Enter into "if a sparrow falls," will I not see, and care? And the grass so lovely today cast in the oven tomorrow, withering? And the flowers, arrayed greaterly than Solomon's array of colors? Enter in My rest and cease from your labors. I love you.

11. Eat of My tree of truth. Eat it all, every leaf, every word, every cataclysmic truthic. Truth, truth, righteousness, holiness, purity, surrender, surrender, surrender of your flesh to absorb, ascribing Me to Me in Me which is you. I love you, I give you Me.

12. Cease from your labors, burdens, cares, and sit at My feet, lay in My lap; suckle with Me upon the honeycomb of truth in leaves of righteousness, coming forth from the tree of righteousness: life.

13. Think it not strange the covenants that come forth between My mighty many and surrendered death'd disciples who want only Me. I love you. See Me. I give you Me. Covenants many in colors all, gold being, more so; glowing in My Kingdom's array.

14. Think it not strange who comes now to supplant Me and be all things to all people, failing miserably, after a time. Think it not strange those who want to suckle you and Me and drain all they can for their profit. Think it not strange the fires of coals hot off My altar that burn the flesh off My pretenders and portenders; scienter'd deceiving disciplers who are not Me, revealed and ridiculed by not Me, not you, but only Me. I am the righteous judge and reveal the thoughts and intents of each heart; discern.

15. Now think it not strange who come holy, contritely, humbly, expecting nothing but allowance to serve, Me making them leaders of leader-makers.

16. Think it not strange who I bust for AWOL. (a military acronym for Absent With Out Leave).

17. **I run My school. I am the schoolmaster, freedom maker. I speak, teach, provide, pay, compensate, remunerate so forcefully, so meekly, so abundantly; and require so little. I requite**. I love you.

18. Think it not strange who supplants Me—tries to—and fails miserably—teaching, trying; showing you the Kingdoms of His dominion, offering you his all, pinnacle to pinnacle. I love you. I give you Me, My covenant promises promised.

19. Think it not strange the replay of My incarnation for all are incarnate with Me, befolded, beholdenment of Me; sought for, quested for, if known. I love you. Separationist rods of power no longer; one, in Me alone. Magically not, ministration of only Me. My magicians not; men, women, boys and girls of immense dedication and surrender; supplanting not; taking the hands of all and placing them into My hands—egalitarianously.

20. Joy! And think it not strange the trials and trips now you go on with only Me, and My recorder. I love you. Document all. Document all. Document all.

21. Think it not strange the Kingdom of Heaven operationally now, common, entry at will, living in, never exiting. See My, My permission, My grant, My invitation, price paid; cost? All, everything: identity, dignity, assessment of only Me, My engagement of reflection not; restitution, restoration of all things in the beginning, before the beginning was, way long before. I love you.
22. Elijah, Elisha comes. I come. We come.
23. The prophet Moses comes. I come. I come.
24. The antichrists come—no—prevented, preempted, disdained; wrong choices made, no recourse eventually, eventuality demised.
25. I come, we come, summit of only Me—Isaiah be. I love you.
26. My roles change. I "cross-pollination" am; cross-pollination to the cross-pollination power, plus.
27. Into Me see My angelic structure.
28. You're so tired. 2 hours. 2am? With Me again? Please so.
I love you.
